HOW THRD CHANGES THE FASHION GAME

INTRODUCTION

We are on a mission to revolutionize the way you shop for branded clothes. India is the second-largest exporter of textiles in the world, powering top brands across the globe. But what if we told you that we've cracked the code to making these top brands more accessible? That's exactly what we've done."

...

THE JOURNEY

From January to July 2023, we journeyed across India, visiting numerous factories that produce garments for globally acclaimed brands. After countless meetings and tireless negotiations, we established a unique, direct partnership with these manufacturers.

...

QUALITY ASSURANCE

Quality is not an afterthought for us—it's a promise. We've set up an in-house quality inspection team to ensure that every piece of clothing you buy from THRD is 100% original and meets the highest quality standards.

...

WHY EXCLUSIVE?

Exclusivity is not a marketing gimmick—it's a necessity. The stocks we procure are limited, and we want to build a curated community of fashion-forward individuals. This community understands the value of what they are buying and can confidently flaunt the brands they always aspired to wear, without any skepticism about authenticity.

...

THE FUTURE

This is just the beginning. With regular drops of curated designs, the best is yet to come for our exclusive members.
